English Mobile App Catalogue

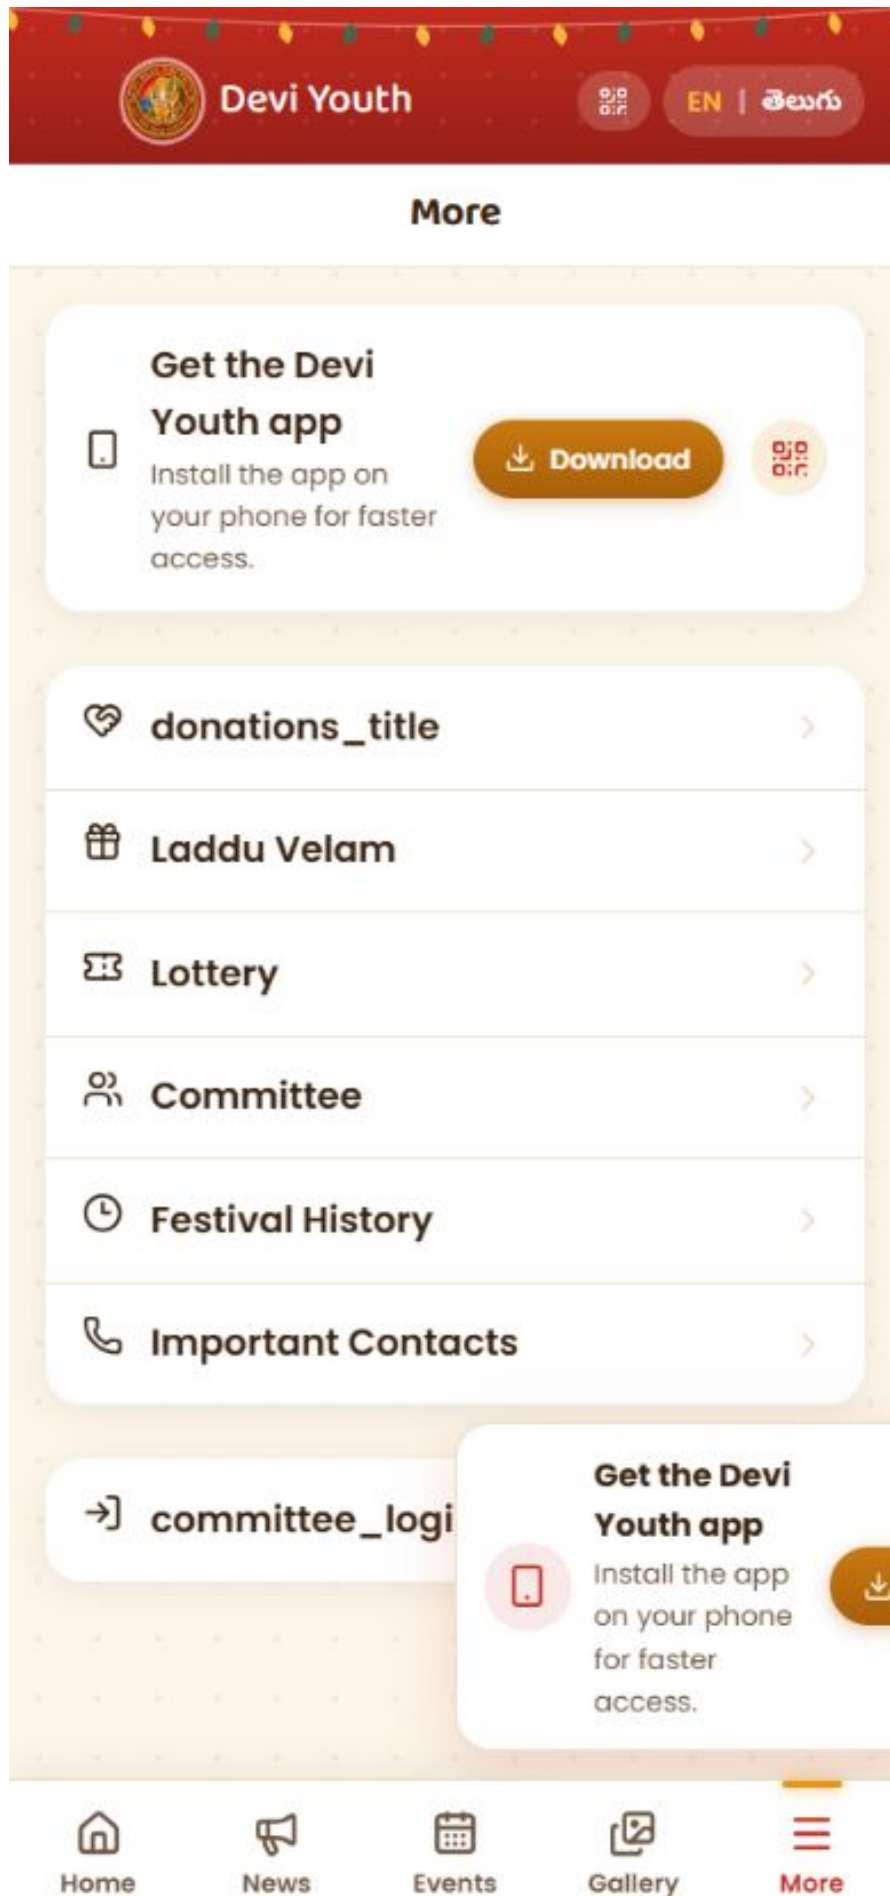

28 villager and committee screens in phone layout

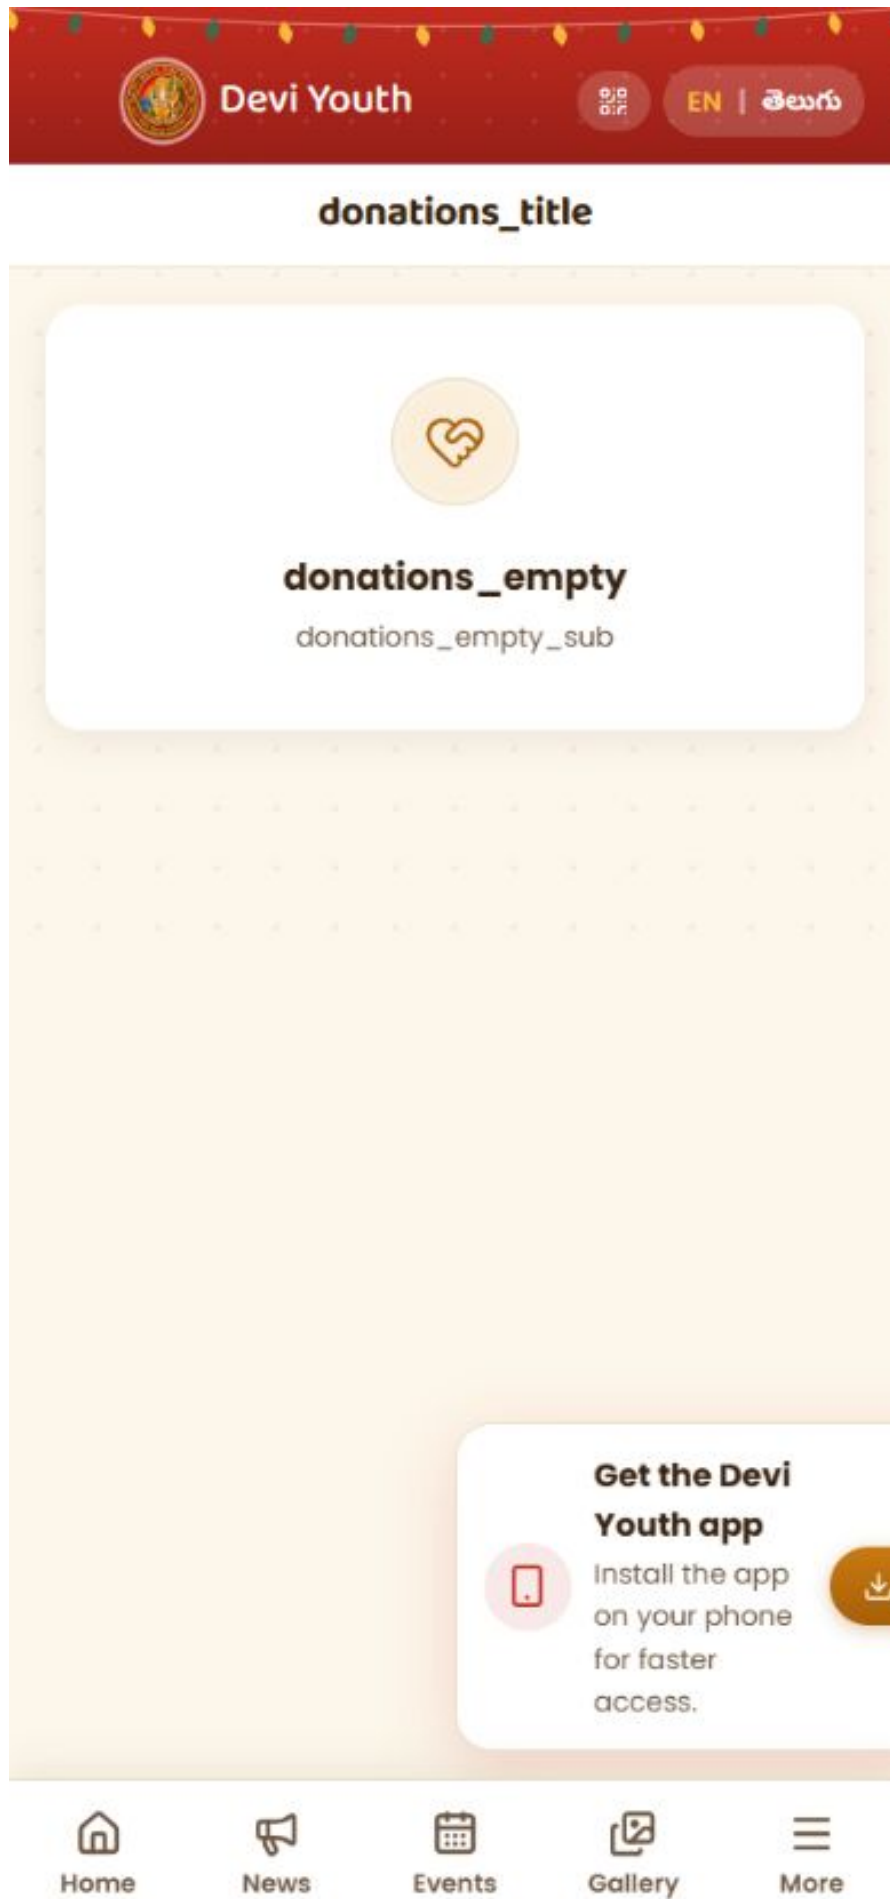

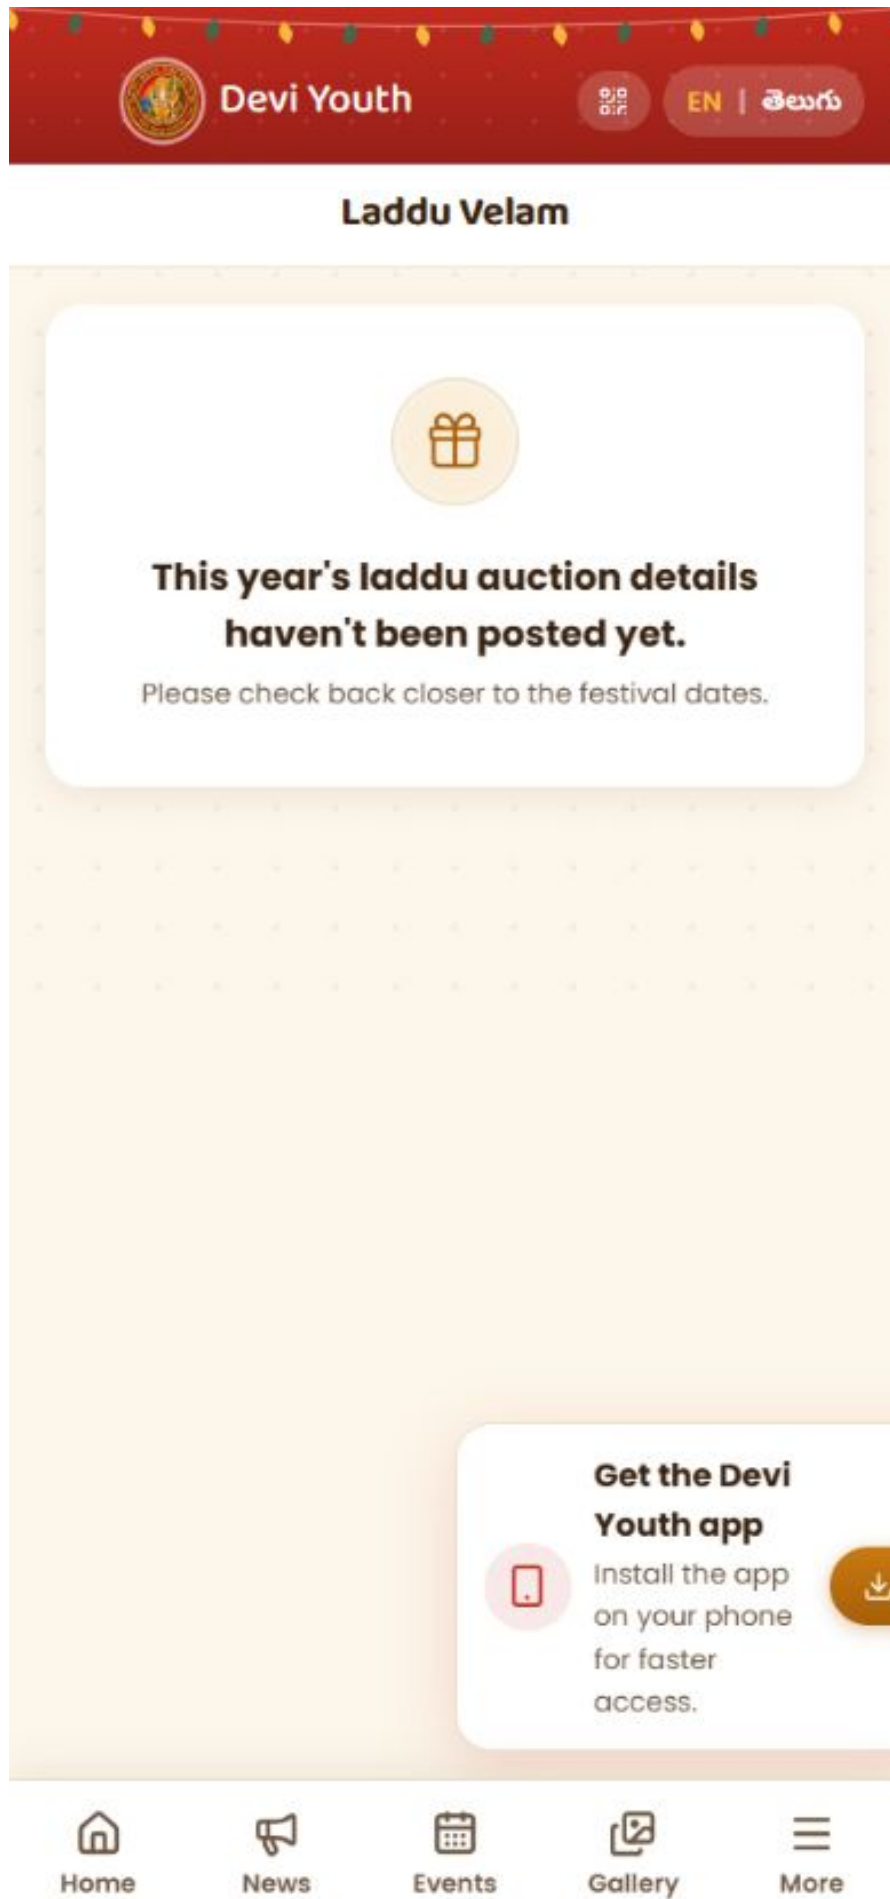

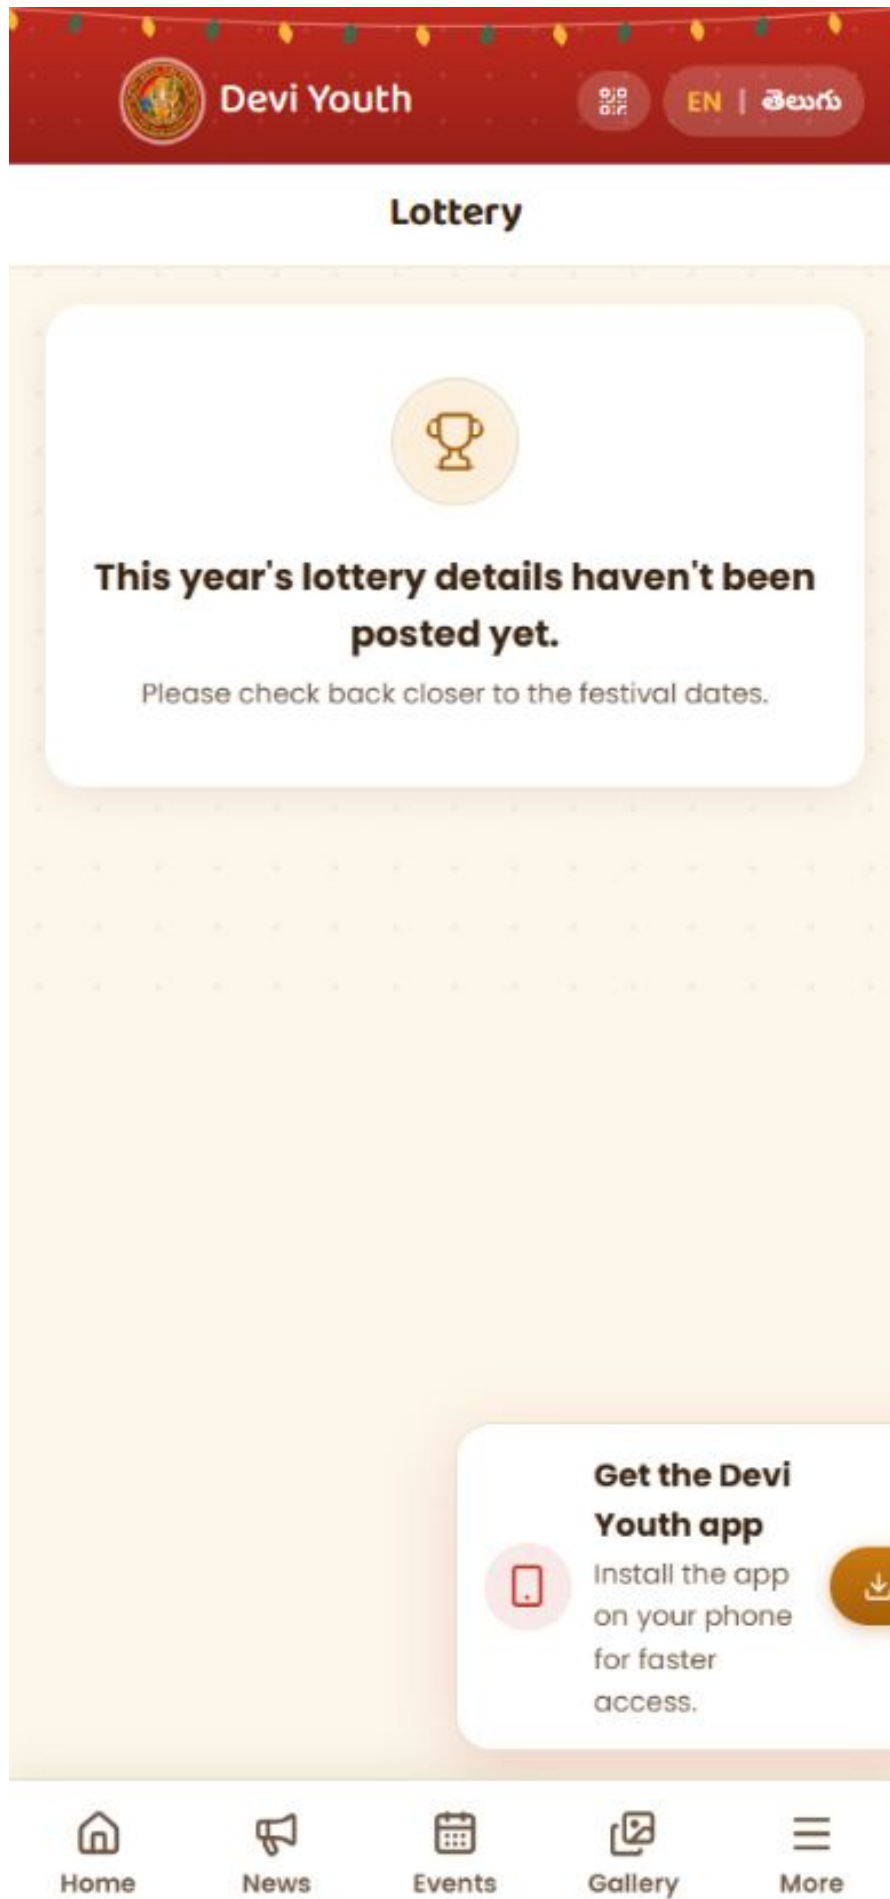

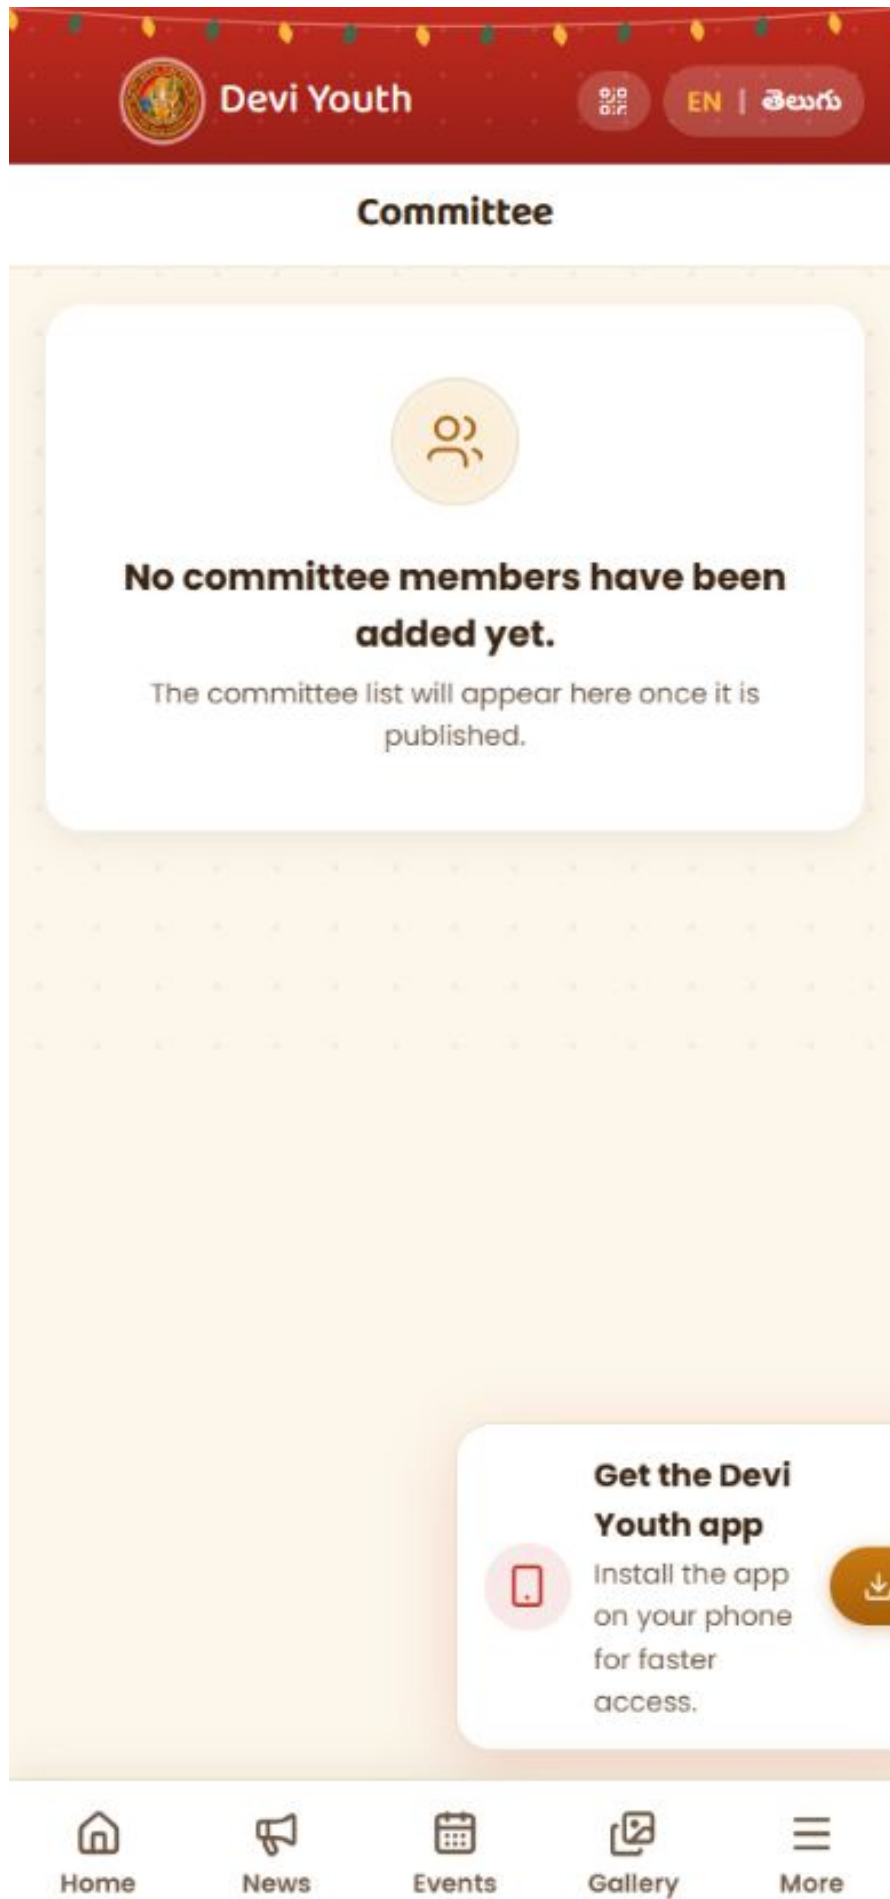

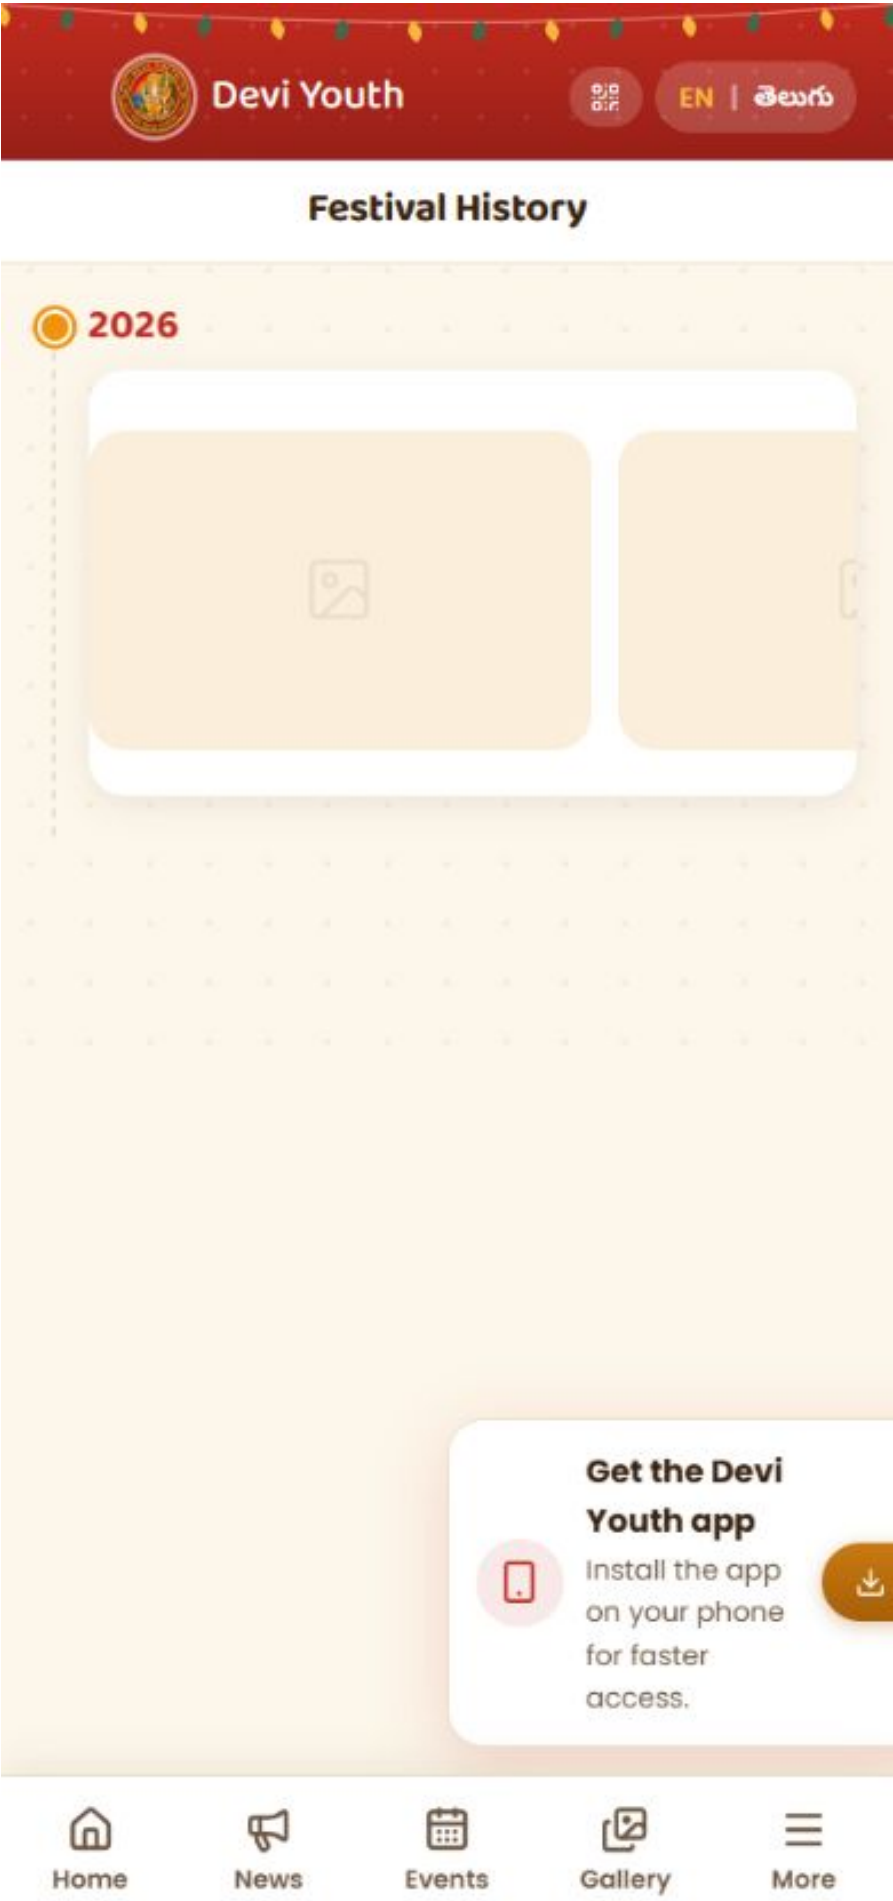

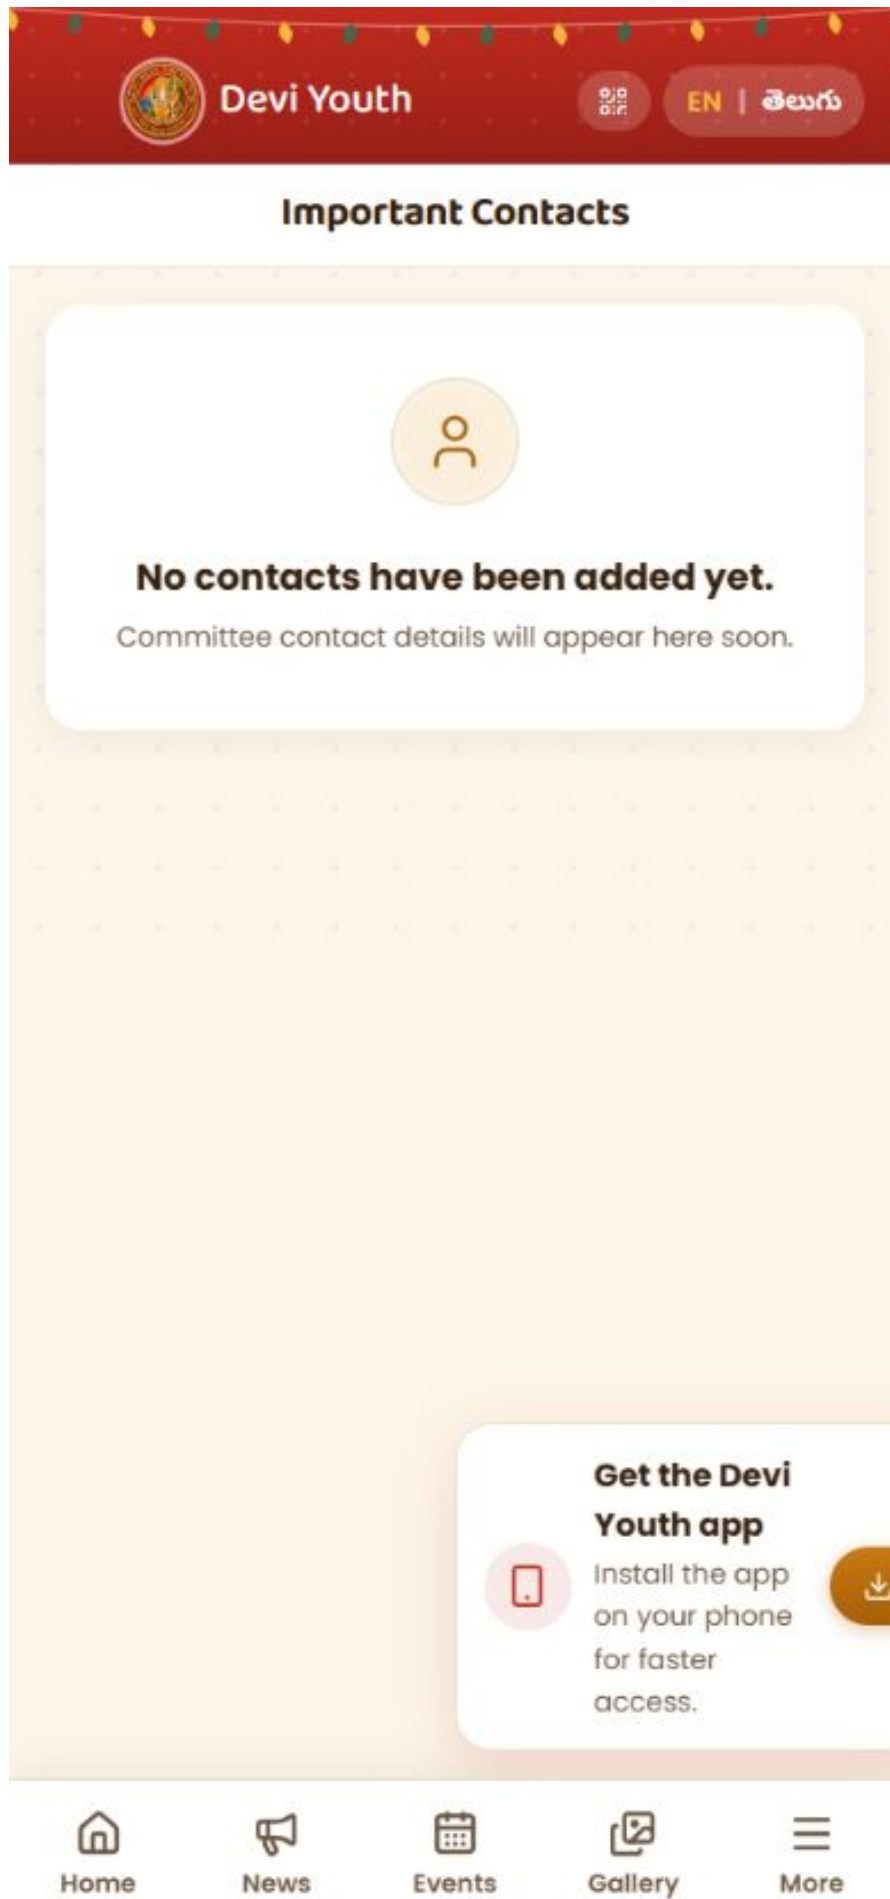

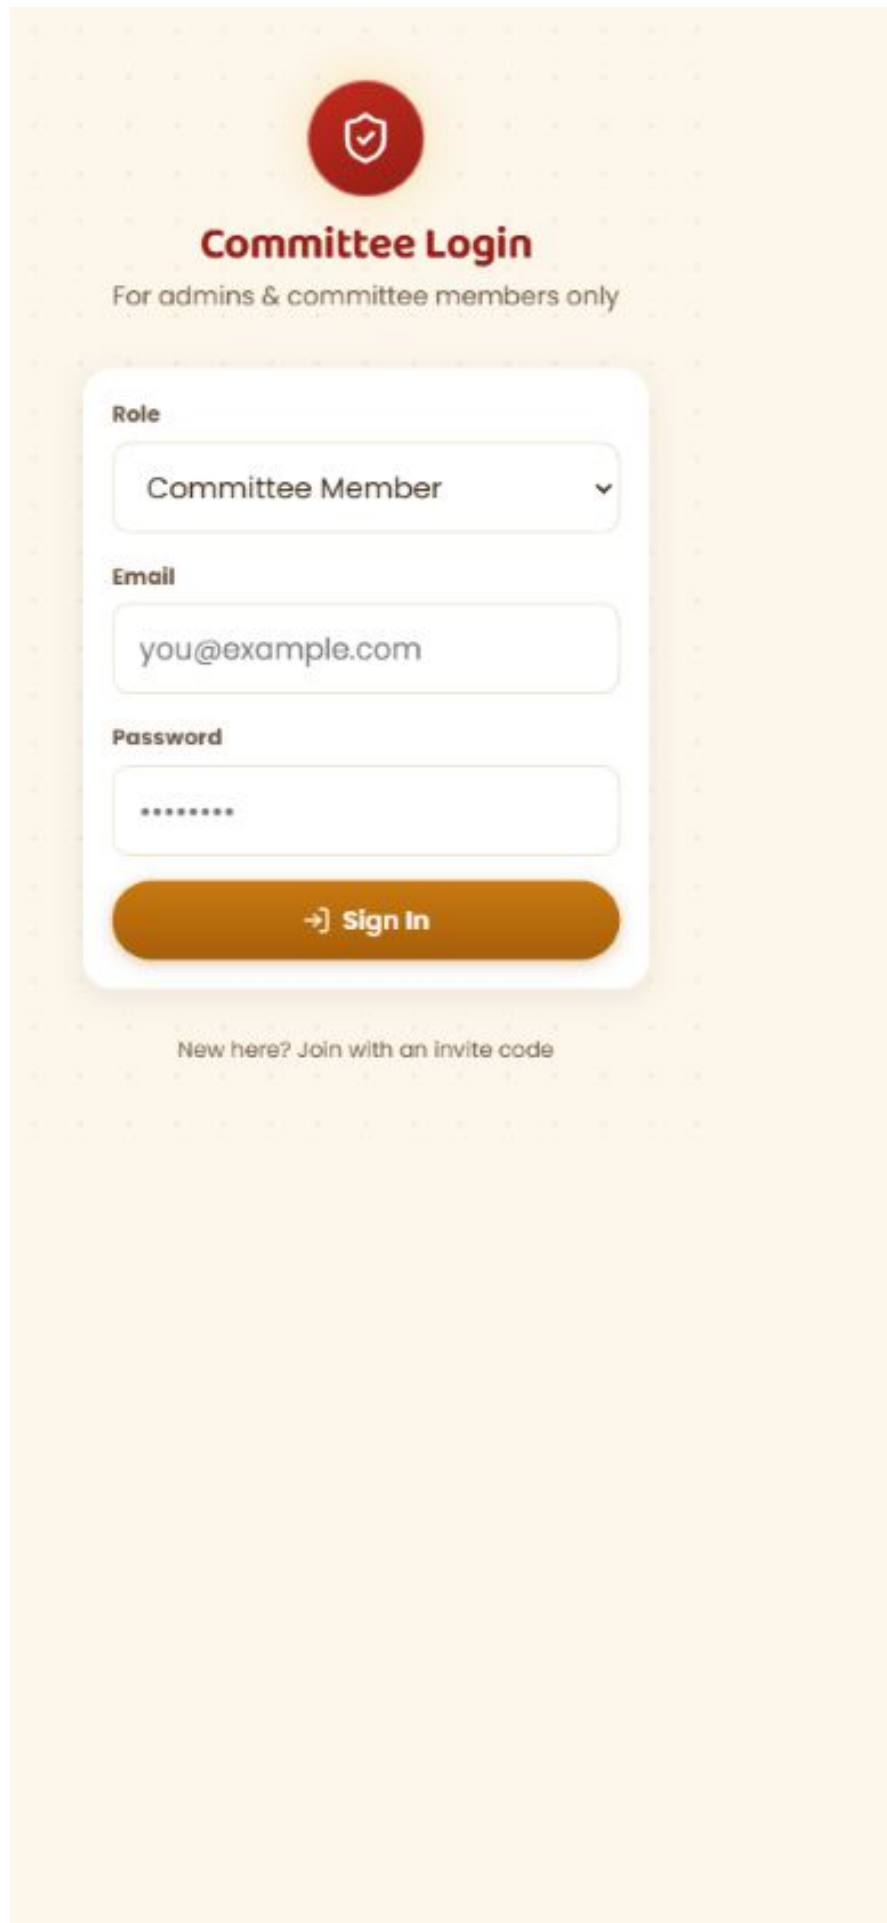

The image shows a login form for a 'Committee App'. At the top, there is a red circular icon with a white shield and checkmark. Below it, the title 'Committee Login' is displayed in a bold, dark red font, followed by the subtitle 'For admins & committee members only' in a smaller, grey font. The form itself is a white rounded rectangle with a subtle drop shadow. It contains three input fields: a role selector dropdown set to 'Committee Member', an email field with 'you@example.com', and a password field with masked characters. A large orange 'Sign In' button is at the bottom of the form. Below the form, a link 'New here? Join with an invite code' is visible. The background is a light orange color with a faint grid pattern.
